

## VOICES OF THE RAINFOREST

Journey deep into a Hawaiian Rainforest and discover the fascinating native plants and creatures that are Hawai'i's natural treasures.

Follow Hau'oli the happy-face spider as he introduces us to the many forest inhabitants of Hawai'i's past and present. Through their stories, we learn the valuable lesson of maintaining balance and harmony in nature in order to protect and preserve our precious rainforests. **Vocalists: Roslyn Catracchia, Colleen Fujioka, Serena K.M. Infante, Lisa Matsumoto, Alec Shimizu, Bryan Y. Yamasaki**

## IN THE CLEAR BLUE SEA

Explore the amazing marine life that inhabit Hawai'i's coral reefs and learn the dangers that threaten their survival.

Meet Liona the Lionfish and her ocean friends as they share valuable lessons in protecting our fragile coral reefs and teach us how we can take better care of our oceans and beaches. **Vocalists: Roslyn Catracchia, Tanner Henderson, Lisa Matsumoto, Alec Shimizu**

## UNDER THE HAWAIIAN SKY

Visit the many ecological zones and habitats of Hawai'i. Journey from high atop an alpine desert traveling down to the dryland forest to meet the many unique plants and creatures that live there and discover why Hawai'i is one of the most special places on Earth.

**Vocalists: Roslyn Catracchia, Tanner Henderson, Lisa Matsumoto, Bryan Y. Yamasaki**

## BENEATH THE OCEAN BLUE

Dive into the ocean's depths to take a closer look at the fascinating creatures of Hawai'i's deep ocean. Meet an array of delightful creatures who share their stories about overfishing, the unique talents and challenges of marine mammals and the important role sharks play in the ocean food chain. **Vocalists: George Benavente, Roslyn Catracchia, Tanner Henderson, Lisa Matsumoto**

## WINGS OF THE ISLANDS

Take to the sky to meet some of Hawai'i's winged wonders. Join Stuart the Hawaiian Stilt and Bernie the Hawaiian Bat as they travel to the forests, wetlands and sea to meet many of the incredibly diverse bird species of Hawai'i. Through their adventures, we learn how we must protect these beautiful birds by preserving their habitats. **Vocalists: Roslyn Catracchia, Lisa Matsumoto, Kau'i Mead, Joseph Morales, Bryan Y. Yamasaki**

The Educational Touring Program introduces youngsters to the performing arts and makes learning fun. Since its inception, this touring program has reached thousands of children through dramatic performances in various school venues. The plays have addressed such subjects as literacy, self-esteem, ecology and conservation. The productions have visited the rainforests, the deep ocean and the coral reefs, and are filled with the fascinating creatures and plants that live in Hawai'i's unique environment. The program helps to develop creativity and self-expression in school children while providing them with a deeper appreciation of theatre and an increased awareness of the environment.
